

Spring

The Children's Center Crier

March-May

What a wonderful spring season this has been. The Center has been busy this season celebrating WOYC and Teacher Appreciation Week. Thank you so much for your participation in these events!

Thank you so much for all your help and patience during our entryway renovation! We are so thankful to have the new sloping sidewalk and know that it will provide added safety for our children during pickup/drop off and as the infants exit in the buggy's for outdoor time.

We are excited about a fun summer coming up. Be sure to check out our Facebook page for updates on our activities.

We are going to be cooling off this summer with Friday splash days and snow cone days!

Teacher Appreciation Week

This year we celebrated Teacher Appreciation Week by focusing on how our teachers make a "world" of difference in the lives of our children. Each day we had a new fun theme and treat for our teachers.

Monday- French Bistro Breakfast
Tuesday- Chinese "fortunate" to have our teachers
Wednesday- Hawaiian luau
Thursday- Italian Soda Bar
Friday- Mexico- Let's "tacobout" our awesome teachers

Our teachers love their jobs and love their kids. They work so hard each day to create fun lessons and activities for the children. I hope you had a chance to check out the teacher's "passports" in the entryway.

We are so thankful for the local businesses that donated so many wonderful items to make this teacher appreciation week so special. Including: Starbucks, HEB, Chopsticks, Spiciness, and Abuelitas Mexican Restaurant. Also, a special thanks to the many church members that helped make it a wonderful celebration!

Around the world treats!

NAEYC's

Week of the Young Child

Week of the Young Child is an annual celebration by the National Association for the Education of Young Children. This week focuses on early learning, young children, their teachers and families. We enjoyed the week with activities like Music Monday, Tasty Tuesday, Work together Wednesday, artsy Thursday, and family Friday. We hope you enjoyed seeing all the fun work your kids did that week!
