

The Children's Center Crier

June - August

It is getting hot this summer but we have been cooling off with fun snow cone days and splash days. We have one more splash day left this summer.

It's hard to believe but our summer is quickly coming to an end. We will miss our friends that are moving to their new elementary schools. We wish them well as they transition!

Goodbyes to: Benjamin P., Jordyn, Adeleigh, Scout, Ambrose, Aubree, Dominic, Nathaniel, Cason, and Kash! We hope you have a warm welcome at your new school!

Honoring 30 Years of Teaching ~Mrs. Linda Duge~

This September marks our Four-Year-Old Room teacher, Mrs. Duge's, 30th year of teaching at Lake Shore Baptist Children's Center! What an amazing accomplishment. She is so dedicated to the education of young children, and we are so thankful to have her! Mrs. Duge was born in New York, but moved to Texas shortly after and was raised in Waco. She graduated from the University of Texas at El Paso with her B.A. in Sociology. She met her husband at school and they have been married for 45 years. She loves spending time with her four children, and four grandchildren. She lived in El Paso, Austin, and Buffalo New York before settling back in Waco.

Mrs. Duge did volunteer work in El Paso and New York with disadvantaged children. She worked 12 years in retail before "retiring" from Sears.

When Mrs. Duge first came to Lake Shore she was planning to come and help the new Director who was a friend for just a few weeks, and here she is thirty years later, still dedicated to the education of young children.

Mrs. Duge, you have been a blessing to Lake Shore Baptist Children's Center and to this community. We are so proud of your life long work towards education and care for young children.

*We will be having a reception to honor Mrs. Duge in August. All families past and present are invited. Stay tuned for the announcement for the reception date and time.

Snow Cone Days

The kids (and let's face it, the teachers too) enjoyed the snow cone truck coming out this summer! The kids mixed their own snow cone flavors and had a lot of fun enjoying our playground time with a colorful cold treat. Big thanks to Kona Ice for coming out twice this summer!
